Safe Medicine for Children.  
"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic, and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effective in relieving coughs, colds and croup. Obtainable everywhere.

FURMAN MAY  
CAPTURE RAG

Baptists Making Strong Fight for Pennant as State Champions.

Greenville, April 21.—With the victory of Furman over Clemson Wednesday afternoon the race for the state championship takes on a new appearance. Heretofore, Clemson has won the race with more or less exertion on their part, for the past several years.

This year, however, indications point to a close race right down to the last and with the kind of ball that Furman is now putting up there is every reason to believe that Coach Laval's aggregation will finish at the head of the race.

Furman has defeated Citadel and Presbyterian college, both members of the S. C. I. A. A., and with the victory over Clemson there remains just three colleges to be met for the first time—Wofford, Erskine and Newberry. Clemson defeated Wofford on Tuesday by a large score so this gives a line on Wofford's material. Of course, Clemson and Presbyterian college are yet to be played a return game, but local supporters are confident that Furman will maintain the excellent brand of ball they have put up all season.

While, of course, baseball breaks, condition of teams, and other things play their part in a baseball race, yet with an even break of luck there is nothing to prevent Furman from being "right there" at the close of the race.

The people of Greenville have an excellent chance of seeing their college team labeled state champion for 1916, and with everybody pulling together it can be accomplished. Wouldn't a pennant look good flying to the breeze out at Augusta street park?

Don't fail to see our Easter window. Owl Drug Co.

## IMPORTANT IN REFRIGERATORS

INSULATION—The walls of an ODORLESS Refrigerator consists of the following: Exterior case, solid oak, one quilt Linofelt, one space Dead-Air, one quilt Linofelt; Interior case and the inner lining of metal, white enamel or porcelain, as the case may be.

Experiments by scientists have demonstrated the superiority of this system of insulation over any other in use today.

Why not get the best?
